

Project Fact Sheet

Sidewalk and ADA Improvements

PROJECT OVERVIEW

Sidewalks in North Bay Village will soon have a new facelift. In 2019 the Mayor, Vice Mayor, Village Commission, and Administration helped secure \$229,950 in State dollars to improve sidewalks Village-wide.

HIGHLIGHTS

- This project will help address sidewalk issues that interrupt pedestrian flow, cause unsafe conditions, or greatly disturb the city's aesthetics.
- It will also eliminate barriers such as gaps and trip hazards caused by uneven sidewalks and cracked concrete.

BENEFITS

- Will make North Bay Village streets safer and more attractive for walking.
- Will enhance pedestrian facilities with marking, signage, flashing beacons and ADA compliant crosswalks and ramps making travel and exercise more appealing.

PHASE I

Harbor Island (East Drive and West Drive public right-of-way corridors):

- Remove trip hazards caused by uneven sidewalks or cracked concrete.
- Install/Upgrade pedestrian crosswalks with marking, signage, flashing beacons and ADA compliant ramps, curb extensions and landing.
- Install new sidewalk from 7921 East Dr. thru 7931 East Dr.
- Install sidewalk fronting Vogel Park.

Treasure Island:

- Intersection of Jewel & Galleon Street: Install new ADA compliant pedestrian crosswalk/curb ramps, marking and signage.
- Intersection of Adventure Ave. and South Treasure Dr.: Install new ADA compliant crosswalk/curb ramps, marking and signage.
